

NRaD Command and Control Department

Presented by:
Rod Smith, Code D40

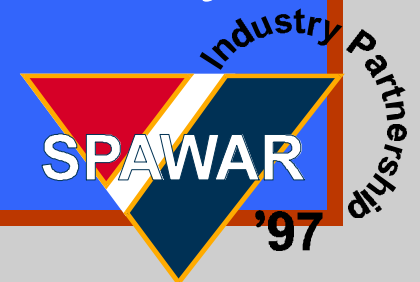

“Nothing gets built until it is imagined first”

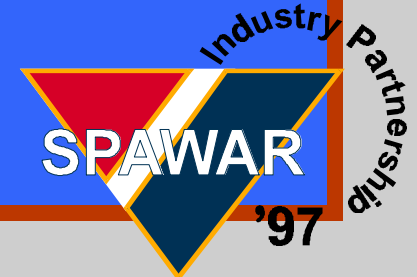

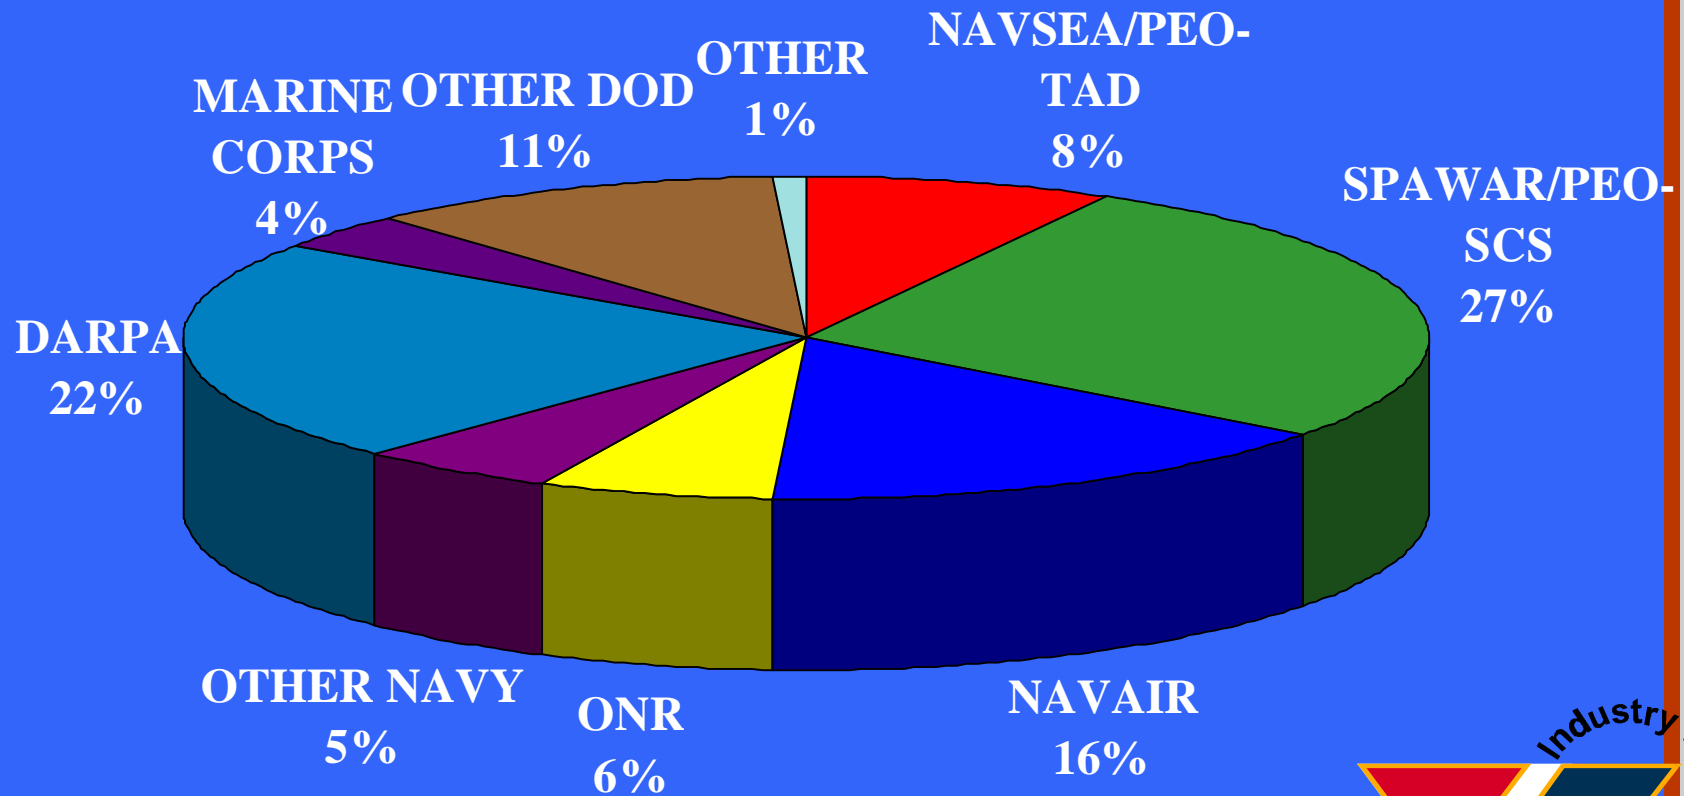

Business Thrusts

- Advanced Concepts and Systems Technologies
- Command & Intelligence Systems
- Combat Direction Systems
- Simulation and Human Systems Technologies
- Systems Integration and Interoperability

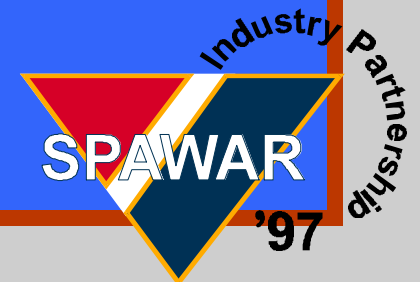

Sponsors

TOA: \$311M

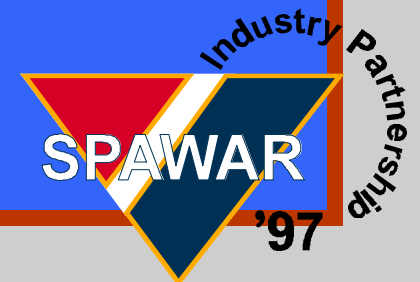

Roles

- Architecture
- System Engineering
- Integration
- Technology
- SSA
- Fleet Support
- Installation

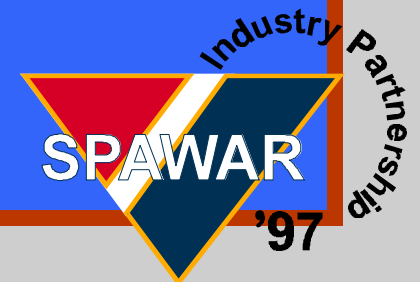

Opportunities

- Modeling and Simulation
- Collaborative Planning Tools
- Human Systems Interaction
- COTS Computers & Networks
- Network Security
- Displays

How Industry can Help

- Work toward true open systems
- Improve training & built-in help
- Reduce complexity from the users point of view

- Points of Contact -

Department Head, Command and Control Department Deputy for Business	D40	Smith, Rod	(619) 553-3930	rfsmith@nosc.mil
	D403	White, Frank	(619) 553-6609	whitefe@nosc.mil
Division Head, Advanced Concepts & System Technology Division Deputy for Business	D41	Volker, Randy	(619) 553-3930	volker@nosc.mil
	D411	Vineberg, Mickey	(619) 553-6609	vineberg@nosc.mil
Division Head, Command & Intelligence Systems Division Deputy for Business	D42	Jaffee, Rich	(619) 553-4018	jaffeer@nosc.mil
	D421	Bonwit, Bill	(619) 553-1164	bonwit@nosc.mil
Division Head, Combat Direction Systems Division Deputy for Business	D43	Millen, Rick (A)	(619) 553-9593	millen@nosc.mil
	D431	Kammerer, John (A)	(619) 553-9443	kammerer@nosc.mil
Division Head, Simulation & Human Systems Technology Division Deputy for Business	D44	Grossman, Jeff	(619) 553-9534	hufac@nosc.mil
	D441	Tiernan, Tom	(619) 553-3562	tiernan@nosc.mil
Division Head, Integration & Interoperability Division Deputy for Business	D45	Iaia, John (A)	(619) 553-4915	iaia@nosc.mil
	D451	Register, Ken	(619) 553-1780	register@nosc.mil
